RE: Application of ABA Moving & Storage, Inc. d/b/a Two Men and a Truck for a Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier  
**Docket No. 2020-84-T**

Dear Jocelyn:

Order No. 2020-386 issued in the above-referenced Docket on June 24, 2020 ("Order") requires the Applicant to provide certain information to the Commission within 90 days of the Order (September 22, 2020) or request additional time from the Commission in order to comply with those requirements.

On behalf of the Applicant, I hereby request an additional 90 days, or until **December 21, 2020**, to provide the required information. The reason for this requested extension is the challenges encountered in navigating the challenges presented by COVID-19.

I have spoken with counsel for the South Carolina Office of Regulatory Staff (ORS), and have been informed that ORS does not object to this request.

Please let me know if I can provide any additional information in support of this request.

Very truly yours,

s/John J. Pringle, Jr.
